Dear Customer,

Thank you for choosing Chariton Vet Supply. I am pleased that you have chosen to shop with us and hope you enjoy our new line of products along with being able to supply you with your prescriptions.

Our staff is here to serve you but please remember that due to the nature of the mail-order business, some products may change in price and availability.

I encourage you to call if you encounter any problems or with any questions and feel free to mention a lower advertised price. Our staff will do their best to meet or beat any legitimate competitor prices.

Sincerely,
Robbie Rainer,
President
